

Espree Scooter by

PaceSaver®

PaceSaver's most luxurious scooter

Stylish, quiet, powerful, easy to drive

Mag wheels, Front light & basket - standard

Espree Atlas Stretch

(with anti-tip wheels)

Stretch adds 4" to length

SIZES

Atlas - 450 lb. capacity

Atlas 500 - 500 lb. capacity

Espree Atlas

(with Admiral Fullback seat,
Optional Upholstered arms
and Headrest in grey velvet)
(Black Molded arms are standard)

● Features:

- **Soft-Touch adjustable tiller-** Shoulder comfort, Easy access to control. Delta Tiller available.
- **Custom-built units-** Many options available to make scooter the best fit for patient's size, physical needs and skill level. Each scooter is custom-assembled. No "mass-production" of identical scooters.
- **Assortment of seat types-** Made-to-order seat styles and sizes. ComForBack folding highbacked adjustable seat for all-day comfort; Admiral reclining seat (in Full Back or GPS-Gluteal Position Seating option); Rehab seats with Maxum, or Minimizer features - all designed to help produce a more comfortable and ergonomic ride.
- **Powerful motor-** High capacity 4-pole transaxle motor runs cooler and has more endurance on inclines and in thick grass. Rear wheel drive.
- **On-board charger-** Trouble-free charging, Charger always available. Easily accessible charger port located on the tiller. (Atlas 500 has off-board charger)
- **Large batteries-** U1 standard. Group 22 batteries (with larger cover) available for extended driving range. Offered in red only.

- **Larger wheel diameter-** Choice of 9" or 10" tire diameters for better traction, better ground clearance, more stability. Available in pneumatic or filled flat-free.
- **Digital electronics** - Programmable 110 amp controller for more power; Push-too-fast feature eliminates disengage runaways; Power Boost technology for climbing inclines; Battery Saver for extended range of use. Advanced controller programs for smooth transition through all speeds. Built-in diagnostics system to enable user to troubleshoot minor problems.
- **Mirror-Glaze Finish** - Long-lasting beauty, Color all thru body. Will not chip, peel or fade. Easy care-simply wipe with damp cloth.
- **Easy, no-tool separation** - Effortless transport, separates into simple, manageable pieces. Fits into most cars, vans, SUVs
- **Assembled in US** - Reliable, less maintenance. FDA regulated. Solid stability, long-term value. Supports local businesses. 5-yr Limited Warranty.

← **Power Seat**
(Elevates up to 5")

↓ **Delta Tiller Option**
(with Pull Throttle)
