

Jazzy[®]

ELITE HD

The Jazzy[®] Elite HD features two-motor, front-wheel drive technology and heavy-duty construction. The Jazzy Elite HD features 14" drive wheels for enhanced outdoor performance combined with a front-wheel drive design to provide tight turns for optimal indoor maneuverability in small spaces. Large front wheels add extra absorption for superb climbing capabilities and combine with front anti-tip wheels for handling various terrains with ease.

The information contained herein is correct at the time of publication; we reserve the right to alter specifications without prior notice. Speed and range vary with user weight, terrain type, battery charge, battery condition and tire pressure. Due to manufacturing tolerances and continual product improvement, length, width, turning radius and ground clearance can be subject to variance of + or - 3%. Special order seats or non-standard dimensions will not be fold-flat and depth-adjustable.
