

# Jazzy®

## 1450

The Jazzy® 1450 offers heavy-duty construction and performance components. This bariatric power chair features a 600 lb. weight capacity, front-wheel drive for superb indoor maneuverability in the tightest of spaces and large front drive wheels for extra absorption over obstacles. The Jazzy 1450 combines superb climbing capabilities with front anti-tips for transitioning over grade changes and handling various terrains easily.

The information contained herein is correct at the time of publication; we reserve the right to alter specifications without prior notice. Speed and range vary with user weight, terrain type, battery charge, battery condition and tire pressure. Due to manufacturing tolerances and continual product improvement, length, width, turning radius and ground clearance can be subject to variance of + or - 3%. Special order seats or non-standard dimensions will not be fold-flat and depth-adjustable.
